THE STORY OF TELEFUNKEN

www.InvisibleThreadsFilm.com

WHY this Documentary is Important:

• HISTORICAL SIGNIFICANCE: _____

- Telefunken was a key part in the practical development of early/wireless radio
- Telefunken was a main contributing factor to America's involvement in WWI

• IT'S AN UNTOLD STORY: _____

- Despite Telefunken's historic role, there have been no films, television or packaged comprehensive works to date

• URGENCY: _____

- The best experts on the subject are rapidly aging and sadly, the details of this important chapter in history may soon be lost forever

• CONTEXT OF WIRELESS: _____

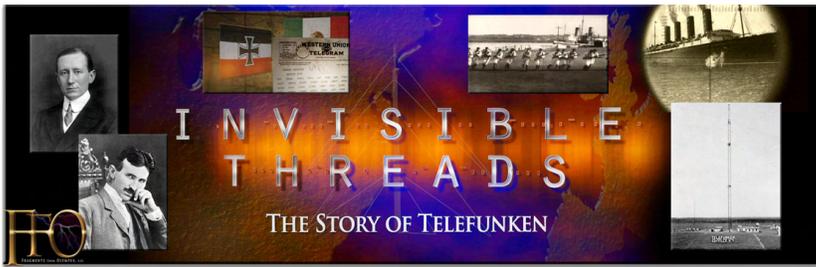

NOW:

- "WIRELESS" has evolved to everyday dependence, and the term has an entirely different meaning in modern times
- The history of the early technology is important, and can help foster a better understanding to aid in the medium's further development

THEN:

A New Documentary from the Creators of
TOWER TO THE PEOPLE

FFO's most recent project was the highly acclaimed feature documentary **"TOWER TO THE PEOPLE"**.

The independently released film screened to SRO crowds in NYC, LA, Toronto and Belgrade - where filmmaker Joseph Sikorski was an

official guest of the city. Despite being independently distributed, the film was selected to be a part of the *Academy of Motion Picture Arts & Sciences'* prestigious Core Collection! You can see the trailer [here](#).

Director/Co-author Joseph Sikorski:

Joseph Sikorski is an award-winning writer/director/producer whose credits include the cult indie features "ARBOR DAY" and "THE RETURN OF THE KING?". He also co-wrote, directed and produced the off-Broadway production "TOWER OF BABBLE" and produced, directed and edited the first season of the weekly television series SUBURBAN ADVENTURES for the Sportsman Channel. His project, "FRAGMENTS FROM OLYMPUS", became a quarter finalist in "The American Screenwriting Competition" and went on to win "BEST SCREENPLAY" at the Long Island International Film Festival.

Over the past two decades, Sikorski's work has been consistently covered by all platforms of media, from print to web, to radio and television- both nationally, and worldwide. He has been featured on *CNN's Showbiz This Week*, *Producer Magazine*, *The New York Times*, *Newsday*, on the cover of *Vesti* and even Russia's biggest paper *PRAVDA* to name a few. Sikorski's most recent production was the award-winning documentary "TOWER TO THE PEOPLE", and he is an ardent supporter of the Tesla Science Center at Wardencllyffe.

Co-author Michael Calomino:

Michael Calomino, author of the novel "A STAND UP GUY" and the award-winning short story "THE ELEPHANT KING'S LAMENT" has co-written two independent features and the off-Broadway play "TOWER OF BABBLE". Calomino grew up on Long Island, New York and graduated with honors from St. Joseph's College. He earned a Master's Degree in English Literature from Stony Brook University and received near perfect scores on Praxis and School Leadership Licensing Assessment.

He received his Administrative Certification from NJ EXCEL and currently resides in Pennsylvania. His latest work was a writing collaboration on the award-winning documentary "TOWER TO THE PEOPLE".
